

QUATSINO LODGE GUEST QUESTIONNAIRE

Dear fishing family,

This is the final stage for the government to cross our t's and dot our i's. This form is a simple understanding between yourselves and us. Many businesses have signs up reminding guests not to enter the premises if they are feeling sick for example. We realize that no one is coming to the lodge feeling unwell. However we are required to ask you these simple questions in any case. We thank you in advance for your patience.

Please complete the questionnaire, sign it and send a copy back to us via email. We are looking forward to seeing you and this questionnaire is the last step in the process. You will find your fishing license also with this email. Please print your license out and bring it with you. The government also does not want us handling paper back and forth between us.

Also the date on the form should be very close to your arrival date.

Thank you everyone.
Walter and Blondy
